“CARTIER OBJETS D'EXCEPTION” Exceptional Objects of Cartier

GIA Alumni is honored to invite Mr. Gilles Zalulyan¹, a vintage jewelry dealer, and Mr. Olivier Bachet², the author of “Cartier. Exceptional Objects”, to host a webinar on Cartier’s exceptional objects created between 1875 and 1965 which are mostly private collections. Cartier is referred as “the jeweller of kings and the king of jewellers” by King Edward VII. Not only did Cartier create legendary jewelry, but also broadened the scope of their creations to include functional forms of art. Gilles and Olivier will share with us Cartier’s precious objects from the first half of the 20th century covering Cartier's history from its origins to the 1960s, beginning with the period of Fabergé influence through to the iconic 1920s art deco style and the exotic inspired by Chinese art and the maharajas of India.
